- 2014 2-year Postdoctoral Fellowship, Research Foundation Flanders.
- 2012 Research grant for collaborations abroad: 600€, Dahlem-Research-School Berlin.

- 2011 Research grant for collaborations abroad: 700€, Dahlem-Research-School Berlin.
- 2010 3.5-year Graduate Research Fellowship, German Research Foundation.
- 2010 Organization of the "First International Berlin Alexithymia Conference", Free University Berlin.
- 2006 Scholarship for a semester at University of Helsinki, Finland.: 3000€.
- 2004 Co-inventor of the device "EMotion-Controller" (hardware and software) in a cyberpsychology research program (Ludwig-Maximilians-University Munich).

Teaching Experience & (Co-)Supervision

- 2016-2017 Instructor, "Network Analysis Seminar", winter 2016, University of Amsterdam.
- 2016- Sophia von Stockert, master of psychology, University of Rotterdam.
- 2016- George Aalbers, research master of psychology, University of Amsterdam.
- 2015-2016 Katarzyna Bzymek, quantitative psychology master of science, University of Leuven.
- 2014-2016 Kristin Freiburger, clinical psychology master of science, University of Leuven.
- 2014-2015 Karen Borremans, clinical psychology master of science, University of Leuven.
- 2014-2015 Fionneke Bos, master of psychology, University of Utrecht.
- 2013-2014 Meike Nixdorf, psychology bachelor of science.
- 2011-2012 Teaching Assistant, "Evolution & Mental Disorders", fall 2011 (University of Michigan).
- 2009-2010 Instructor, "Evolutionary Psychopathology", winter 2009 & winter 2010 (Ludwig-Maximilians-University Munich).
- 2007 Teaching Assistant, "Positive Psychology", summer 2007 (Ludwig-Maximilians-University Munich).

University Service

- 2007-2008 Member of the non-profit student association "Psychologie in Beruf und Praxis e.V.", organization of two Career Development Conferences for students at Ludwig-Maximilians-University Munich.
- 2006-2008 Graduate Student Representative (Ludwig-Maximilians-University Munich).
- 2003-2005 Undergraduate Student Representative (Ludwig-Maximilians-University Munich).

Community Service

- 2001-2002 Assistant instructor in a school of children with mental and physical disabilities; Friedel-Eder School, Munich, Germany (10 months, full-time).
- 1998-2002 Education as a youth group leader for children and adolescents; leading a youth group of adolescents once a week, hosted by the Dietrich-Bonhoeffer Church in Munich, Germany. Organized and supervised several one-week trips with adolescents abroad (to Spain and France).

Research Interests

Clinical Psychology & Psychiatry: mental disorders with a focus on mood disorders; individual psychopathological symptoms, their differences, and causal associations.

Statistics & Psychometrics: measurement, multivariate longitudinal models, network models, structural equation models, mixture modeling.

Press

In addition to press releases that were widely shared, many of my empirical papers were discussed in international media outlets such as dailymail.co.uk, medicaldaily.com, madinamerica.com, and healthcentral.com, or in national media outlets such as De Standaard (Dutch). Most of my papers are in the top 5% of all research outputs as scored by altmetric.com (details available on request).
